JSfirm.com Grows Their JDN Partners: Million Miles of Melanin

Roanoke, Texas (August 25, 2025) - JSfirm.com is proud to welcome Million Miles of Melanin as one of the newest partners in its growing Job Distribution Network (JDN).

Million Miles of Melanin is committed to expanding access, visibility, and sustainable career pathways in aviation for individuals from underrepresented communities. Their focus on advocacy, empowerment, and education aligns closely with JSfirm.com's values.

"This partnership represents a shared commitment to increasing access and awareness about aviation careers," said Abbey Hutter, Executive Director of JSfirm.com. "We're honored to support Million Miles of Melanin's mission and help place aviation opportunities in front of more individuals across various sectors of the industry."

Through this partnership, aviation job seekers can now explore a wide range of industry opportunities directly on the Million Miles of Melanin website, powered by JSfirm.com.

Tasha Funes, Founder of Million Miles of Melanin, said, "We're excited to partner with JSfirm! At Million Miles of Melanin, our mission is to create access, visibility, and lasting pathways into the aviation industry. This collaboration is a major step forward; connecting talent and passion to real careers, while opening doors for aspiring aviators who may not have seen themselves in this space before."
